

Wonderful warm weather!!!

School

Hello all, we do appreciate that the weather is warmer than we are used to and that in the UK we are not as well prepared as our fellow countries who get this more often. So to reassure you all:

- ✓ We are asking the children to remove jumpers
- ✓ We are encouraging drinking water regularly
- ✓ Class doors are left open to get as much air in the bases as possible
- ✓ Children are encouraged to play outside and make use of the many shaded areas we have
- ✓ We have asked that hats are provided for anytime outside alongside the use of sun cream
- ✓ If children feel unwell they know to tell a grown up

Sports Day

- ✓ Please send children with plenty of water, a hat and wearing sun cream
- ✓ We will have shaded areas for children to use - Gazebos
- ✓ We will have water stations available
- ✓ The day has already been adjusted to offer more rest breaks
- ✓ We will make use of the shaded grandstand

Your children's safety and wellbeing remains important to us.
