

Dear Parents & Carers,

Holiday Club will run throughout August starting Monday 3<sup>rd</sup>. Please arrive at the pedestrian gate at 9am. Make your way to the marquee on the field to register, observing the 2M rule where possible. Collection will be at 3pm from the same pedestrian gate.

Masks should be removed on arrival and taken home by parents or carers. Hands will be washed on arrival to the marquee with sanitiser also available.

We will be operating within our own 'bubble'. Our main base will be in the marquee with access to the field and MUGA. We will also make use of Forest School, remaining outside in open spaces as much as possible. Any equipment will be cleaned and sterilised daily with regular hand washing. Soft toys and furnishings will not be permitted. We will use the toilet facilities in the new build – a member of staff will regularly wipe down and clean all surfaces.

Children can bring a wipeable lunch box and a clearly named plastic bottle which will be stored separately to others.

Staff and children will avoid close face to face contact and minimise time spent within 1 metre of anyone. Children will be supported and encouraged to maintain distance and not touch others.

If a child falls ill we will phone for collection as usual; if Covid 19 symptoms are present children will be isolated until collection. Parents will be advised to take the child for testing. We will follow guidance from Public Health England should there be a confirmed case. Parents will be required to provide evidence of a negative result before being able to return. If you suspect your child is poorly please do not send them to Holiday Club.

Thank you for your continued cooperation in these strange times - we look forward to seeing you.
